I ENHANCEMENTS

I.1 JOINT EMPLOYMENT MODEL

Primo Umbrella now supports the Joint Employment Model, a recent addition to the list of HMRC compliant pay models.

If you wish to know more or would like to start using this model, please contact our support team by emailing support@accentra.co.uk and we will assist you in getting things set up.

I.2 PAYE FEES

Umbrella companies using the PAYE Plus model charge their agencies a payroll processing fee, rather than charging the contractors a margin, so we've made changes to the agency settings options to reflect this.
