I ENHANCEMENTS

I.I FURLOUGH PAY

We've updated Primo Umbrella to accommodate the UK Government's Coronavirus Job Retention Scheme.

You can flag contractors as furloughed and enter the start and end date of their furlough leave under the new Furlough Settings section in the Umbrella tab of their record. This only applies to contractors whose contract start date is on or after the 28th of February 2020 and is not applicable for any CIS contractors.

Furlough Settings 🥥			
PROCESS FURLOUGH PAY? Yes	FURLOUGH START DATE 27/04/2020	FURLOUGH END DATE <not specified=""></not>	FURLOUGH PAYMENT £200.00

You can amend the Furlough Pay Rate by going to the Payments tab in the contractor record and clicking the Edit/Pencil icon. We've added some restrictions to ensure you don't enter a value that exceeds the £2,500 monthly (or appropriate value for weekly, 2 weekly, 4 weekly) limit.

The system will not allow you to create a new timesheet for a furloughed contractor. Similarly, you won't be able to process furlough pay for a contractor for whom a timesheet already exists, or if they are currently receiving statutory payments. You also won't be able to process furlough pay for a contractor for whom you haven't entered a furlough start date. Error messages will be presented if any of these scenarios are attempted.

I.4 Address and Bank Account Verification

Primo Umbrella now has an API with Loquate, a platform that allows you to verify the postcodes and bank account details you enter in a contractor's record. You can learn more about Loquate's products and pricing on their website: https://www.loqate.com/en-gb/

If you choose to sign up to their address and/or bank verification products you can link your Loquate account with your Primo Umbrella account by entering your License Key in the Integrations page in Primo Umbrella. The section is labelled PostCodeAnywhere.

Once the connection is live, you'll be able to verify an address by starting to type into the postcode field and a list of valid addresses for you to choose from will automatically appear. Once you have selected the address from the list, the rest of the address fields will be populated automatically. To verify bank details, you can click the link that appears next to that section.

1.5 CONTRACTOR RECORD - DOCUMENT TAB

A new Documents tab has been added to allow Enterprise Edition users to view and add documents (sick notes, ID, proof of address, etc.) directly from a contractor's record.

I.6 RIGHT TO WORK EXPIRY REPORT

You can now generate a report to show contractors' right to work document expiry dates. You can find this option in the main menu under MIS Reports.

Note: As there have been few design changes on the portal, please press (Ctrl + Shift + R) to update your cache to the latest version when you login to the portal if you're experiencing continuous loading/freezing issues.
